

Mission Statement

At Abbey Meads School we are interested in developing our citizens of the future, who are caring, resilient to change and skilled both academically and socially. In its simplest terms; we aim to develop conscientious, free thinking children with a love of learning.

"Full Esteem Ahead"

*If I had my child to raise all over again,
I'd finger paint more, and point the finger less.
I'd do less correcting and more connecting.
I'd take my eyes off my watch and watch with my eyes.
I would care to know less and know to care more.
I'd take more hikes and fly more kites.
I'd stop playing serious, and seriously play.
I'd run through more fields and gaze at more stars.
I'd do more hugging and less tugging.
I would be firm less often and affirm much more.
I'd build self-esteem first, and the house later.
I'd teach less about the love of power,
And more about the power of love.*

Do All the Good You Can**

At Abbey Meads School we try to...

Do all the Good we can,
By all the Means we can,
In all the Ways we can,
In all the Places we can,
At all the Times we can,
To all the People we can,
As long as we ever can.

Amen
