

Dear Parents and Carers

As you will be aware from the news and the Prime Minister's announcement, schools will be closed with immediate effect. We will be opening to the children of key workers and vulnerable families and have a rota system in place for staff. However, with such short notice we require time to implement new systems safely.

Therefore, our schools will remain **closed to ALL pupils – including Nursery** tomorrow.

We will begin the process of opening for Vulnerable families/Key worker children on Wednesday and increase as we gather the required information from parents and organise staff. It is essential that you respond as quickly as possible to the key worker letter sent from your school asking for information.

We have already taken steps to prepare for this scenario and all pupils will be provided with full home learning as soon as we can.

Over the next few days, activities or learning packs will be provided via email and the school website.

I apologise for the short notice of these changes but as usual, you are receiving news about schools in the media at the same time we do. If we had been given some notice, we would, as always, remained open without interruption. We thank you for your continuing support and do not hesitate to contact either your school or the Trust if you have any concerns.

Best wishes

Gary Evans  
Chief Executive Officer  
Blue Kite Academy Trust
